# Chances Are

You or someone you know has been affected by cancer

You have lost or will lose someone you love to cancer

Someone in your community is undergoing  
cancer treatment right now

## You Can Help

Titusville Area Hospital is planning to renovate the Oncology Department. The renovation will include a spacious infusion area, comforting exam rooms and the addition of state-of-the-art equipment allowing patients to receive the highest level of care without the need to travel outside the area. The Oncology Department will be located near the front lobby making it easier for patients to access care. The project is expected to be completed by Spring of 2024. The Titusville Area Health Center Foundation is raising funds to help facilitate this major renovation. All donations will directly benefit this vital project and chances are it will benefit someone you know.

**Please reach out to me for further discussion of this project, 814-827-1060 or [kclark2@mmchs.org](mailto:kclark2@mmchs.org).**

Very Sincerely,
